Unrevoked Consent to Electronically Distribute Documents, Notices & Disclosures

Electronic Delivery Defined. The Davis-Stirling Act defines electronic delivery to mean "email, facsimile, or other electronic means." (Civ. Code §1350.7(b)(3).) Other electronic means include posting on an electronic message board or network which the association has designated for those communications, together with a separate notice to the recipient of the posting. (Corp. Code §20.) If a document is delivered by electronic means, delivery is complete at the time of transmission.

As a homeowner in the Sunrise Homeowner's Association (SHA), the Board of Directors would like to communicate directly with you in the form of Newsletters, Notice of Board of Directors Meetings, Meeting Agendas, Architectural Request Forms and other official business via email. In order to initiate this electronic delivery process, **you must check the box agreeing to these Terms & Conditions in its entirety before subscribing.**

By subscribing, not only does **your association save costs associated with printing and mailing**, but you also have access to monthly recurring items in a more timely and efficient manner. **The email address you provide will only be used for Sunrise Homeowners Association purposes and will not be shared, sold or given to any third parties.**

By subscribing, you are **giving permission** to allow Sunrise Homeowner's Association (SHA) to furnish official documents via email transmission or by accessing them on the SHA website:

www.sunrisehomeownersassociation.org. You are also agreeing that any relevant documents that you request, and that are not available on the website, can be emailed directly to you by the official SHA email address (shaboard@gmail.com). You also understand that you may request any document or record be provided to you on paper or in non-electronic form and that you can withdraw your consent to electronic communication at any time by notifying SHA by email or in writing.
