## President's Message

David Jannke

Good News! This summer we're seeing many folks enjoying the pool and participating in events. The Fourth of July BBQ was a smash hit this year and fireworks celebrated Independence Day afterward.

While everyone enjoyed the event it is clear we need to step up emphasis on safety for any future fireworks. That will mean some tight controls on what type of fireworks are used, how they are placed, where they are placed and who may set them off. To keep everyone safe we will also have some additional fire prevention and crowd control procedures.

Our fireworks ended at 11:00p and any continuation past that was not part of our event.

## Some Unpleasant News

The evening of July 9th at 10:25pm someone decided to sneak into the pool area and rip the plexiglass windows out of our bulletin board. This has been reported to the police and we will be posting photos of the individual at the pool. Any help you can provide in identifying him would be welcome.

July has been really great at the pool. The long-awaited installation of the water bottle filler has been completed, and needs a name.

We are asking residents to submit ideas for a name for our new friend. Write your name, address/phone and idea on a blue entry form located in the sign-in binder and drop it in the pool committee mailbox on the shed in the pool area by August 15, 2021 and we will choose from submissions. The winner will receive their own refillable water bottle.
